(NEW MODEL)**

COMPETITOR

WHAT MAKES THE FR6Q QUIET?

Muncie Power's FR6Q power take-off features a patent-pending spring-loaded rocker design, removing virtually all gear rattle noise for a quiet PTO. The new power take-off is designed to fit Ford Super Duty – F-350 to F-550 – as well as F-650/F-750 trucks with the Ford 6R140 transmission.

Available with **Muncie Start™**.
